B.C.T. INFORMATION

Challenge Certificates [Amended by BCT]

Challenge Certificates are awarded for the best of variety in Young and Any Age Sections of Open Shows and for the winners of classes at the Annual G & M Tuthill State Shield Show.

Where shows provide separate sections for Novice, Intermediate and Open exhibitors the winners of Best in Variety in each section compete for the overall Challenge Certificates.

This scheme is designed to give all exhibitors the chance to have birds compete for Challenge Certificates without jeopardising eligibility to exhibit at their own status.

Three levels of Certificate are issued:

- 1 ♦[star] [1 Points] - certificate is issued when more than 1 to 7 birds are exhibited.
- 2 ♦ ♦[star] [2 Points] - certificate is issued when more than 8 to 20 birds are exhibited.
- 3♦ ♦ ♦[star] [3 Points] - certificate is issued when more than 21 birds are exhibited.
- 3♦ ♦ ♦[star] [3 points] - certificate is issued for bird placed 1st in each variety at the G & M Tuthill State Shield Selection show.

Champion Birds

The Challenge Certificate points awarded at shows confirm and declare a Champion Bird . A bird must gain nine points, with at least three of those points have been awarded in the Any Age category.

Points will be tallied at the end of each show season by the Secretary, aligning the ring number to the variety of the bird.

SHOW RULES

BENCHING: Birds must be benched prior to 9.30 am on the day of the show for judging to commence as soon as possible. No exhibits will be re-classed after this time. Future Champions Show 2025 (Amended details)

FUTURE CHAMPIONS SHOW TO RETURN IN 2025

BCT IS PLEASED TO ANNOUNCE THE RETURN TO SHOW FORMAT OF THE
FUTURE CHAMPIONS SHOW ON 4 OCTOBER

The show format changed in season 2019 to a points-based award for Champion Exhibitor of Novice and Intermediate breeders. This year members of the three clubs have voted to reinstate a day show format for the event.

Novice and Intermediate Breeders are encouraged to enter their birds and come along for a day of enjoyment with no Open birds exhibited. Open Breeders will assist in the running of the event. See Page 34 for show and entry details.

(These changes are from the BCT Committee)

INCENTIVE SCHEME 2025 (Amended details)

The 2025 Showing season will see a change to the Incentive Scheme, now in its 10th year. The past few years has seen exhibitors awarded one ticket by exhibiting 3 or more birds at any of the 4 Championships shows and at Club level shield Selection Shows.

2025 will see the re-introduction of the one free ticket/purchase one ticket option available by exhibiting 3 or more birds at the 4 championship shows and club level shield selection shows.

Tickets for purchase will be \$10.00 each and will be available at each of the shows. 100 tickets will be available for sale and any unsold tickets will be offered equally to exhibitors wishing to purchase at the TBS Winter Show, prior to the drawing of the Incentive Scheme.

BCT Committee will used the \$1000 to purchase a pair of exhibition budgerigars from a mainland exhibitor, to be available at the TBS Winter Presentation Show. The pair will not be split and will be drawn as first prize from the free and purchased tickets combined at the conclusion of the TBS Winter Show Awards Presentation. Should additional budgerigars be available, these will become additional prizes drawn from the entry and purchased tickets combined.

(These changes are from the BCT Committee)

Note:

If the ANBC National Show is cancelled in any one year, the BCT will host the G & M Tutill State Shield Show at the Perth Community Centre, providing there are no government restrictions that prevent such an event being held.
