B.C.T. INFORMATION

Challenge Certificates

Challenge Certificates are awarded for the best of variety in Young and Any Age Sections of Open Shows and for the winners of classes at the Annual State Shield Show.

Where shows provide separate sections for Novice, Intermediate and Open exhibitors the winners of Best in Variety in each section compete for the overall Challenge Certificates.

This scheme is designed to give all exhibitors the chance to have birds compete for Challenge Certificates without jeopardising eligibility to exhibit at their own status.

Three levels of Certificate are issued:

- 1 ♦[star] certificate is issued when more than one bird and fewer than ten birds are exhibited
- 2 ♦ ♦[star] certificate is issued when ten to twenty-seven birds are exhibited
- 3♦ ♦ ♦[star] certificate is issued when 28 or more birds are exhibited

Champion Birds

Points are allocated to birds on the basis of one point per star.

A bird is declared a Champion Bird when it gains nine points at least three of which have been won in Any Age competition.
